EDUCATION

GF's Godavari College of Engineering (Dhatu,lonare)

B.Tech in Computer Engineering

CGPA: 7.2

Jalgaon, Maharashtra

Expected Graduation, June 2025

PROFILE SUMMARY

Seeking a Full Stack Developer role at a reputable organization to enhance my knowledge and further my career growth. Proficient in the MERN stack (MongoDB, Express.js, React, Node.js), I excel in building scalable web applications. I have a proven track record of managing and delivering projects efficiently, from initial planning and design to final deployment and maintenance. Committed to staying updated with industry trends and technologies, I continuously enhance my skills to provide innovative solutions.

PROJECTS

VideoTube with Authentication ([Source](#))

April 2024- Current

Tools: React, Express Js , Redux, Tailwind CSS.

A full-featured ViteoTube application enabling users to register, authenticate, and manage their Video posts seamlessly.

- Developed the front-end using React, creating a responsive and intuitive user interface.
- Implemented user authentication and authorization, ensuring secure access to the application.
- Managed the backend entirely with Node.js and Express.js, handling data storage, retrieval, and user management efficiently.
- Utilized Redux for state management to ensure consistent and predictable application state.

NoteBook : [Live Application](#)

Feb 2024 – April 2024

Tools: React, NodeJs , ExpressJs , MongoDB, Bootstrap.

A sleek and intuitive web application allowing users to manage their notes efficiently, leveraging secure user authentication.

- Developed the front-end using React, ensuring a responsive design that works seamlessly across desktops, tablets, and mobile devices.
- Added CRUD operation for user.
- Utilized Context Api for state management to ensure consistent and predictable application state.

EXPERIENCE

Intern at Webstack Academy

July 2024 – Current

- Developing FoodOrdering web Application using Mern(MongoDB,ExpressJs,ReactJs,NodeJs) Stack.
- Implemented User Authentication for Secure access to application.

CERTIFICATION

- Earned a certification in JavaScript, ReactJs by Infosys Springboard.

SKILLS

Programming: Python, JavaScript, HTML/CSS, SQL, Node.js, Express.js, React.js, Tailwind CSS
